BIZ AN BUZZ

TWO BROTHERS... FROM DIFFERENT MOTHERS

So dark...so cold...a vast empty void...can this be really real?

Or just a twisted nightmare I can't wake up from?

HMPHF...HERE WE GO AGAIN!

SAME OL' LAME ASS VOICE OVER AGAIN! SO DRAMATIC, SO MOODY, SO BORING!

Suddenly a spark of bright white light--and I see it all!

My whole life seems to flash by in a nano-second...

It is all so short and pale at the end...

...like it should have belonged to someone else.

The "City of Angeles"
used to really suck...
